### "HENNA AND HER SICKOS"

I'm an avid fan of Woody Allen and I think that "Hannah And Her Sisters" was a masterpiece, but "Henna And Her Sickos" was just SICK. Go back to trashing bad movies like "Rocky IV."

R. Keith Phipps  
Englewood, OH

You guys wasted five pages on "Henna And Her Sickos." If you ever spoof another Woody Allen movie again, I'll puke!

Andrew Quinn

Okey Dokey!—Ed.

## TAKING THE BIBLE BY THE HORNS

I find Mrs. Linda Houk's letter in MAD #265 extremely distressing. From its contents it's obvious she is a blind self-righteous patriot. If she thinks MAD is too awful to read, I'd like to suggest she try something else. It's called THE FIRST AMENDMENT!!!

Mark Wilson  
Columbus, OH

I saw the "Bible Belts" letter in MAD #265, and I have a few comments. If that lady would actually read MAD, she would see it is really worse than she thinks it is. MAD's language is not only atrocious, but also revolting, repulsive and nauseating. Lastly, I can't figure out why she would want MAD to change its attitude, because right now it's just how its readers want it—CHEAP AND DISGUSTING!!!

Jereme Hansen

### "HOME FU"

I found your tips in the "Home Fu" article more helpful than my training in Tae Kwon Do!

## THE USUAL GANG OF GARBAGE PAIL IDIOTS

Paul Madonna of Baden, PA sent us three sketches of some "Garbage Pail Adults" we missed in MAD #265!! Thanks, Paul!

### GARBAGE PAIL MAIL

Enclosed is a picture of one "Garbage Pail Adult" you forgot to mention.

Randy Bucknoff\*

### RHYMIN' REAGAN

"The Reagan" in MAD #265 made my day. I love the caricature by Gerry Gersten. The whole thing was a welcome surprise. I'm sure if Poe was still around, he would have written the same thing. After all, he was a horror author, wasn't he?

Dave Lacombe  
Plainfield, VT

### MADMEN RETURN

Talk about "deja vu"! This looks like the 50's again! The best move MAD has made in a long time is wooing artists Will Elder and Harvey Kurtzman back to E.C. Publications. Please don't let them stray again!

Daniel A. Wilder  
Saluda, SC

### MORON MAIL

I love your moron mail. Some people say such stupid things it is unbelievable. Do they think they're funny? And those snort-nose people who write, I love the quips you put under their letters. They deserve it. How stupid can some people get?

Ellen A. Whitman

We think you just answered your own question.—Ed.

Congratulations on surviving so long without the benefit of advertising! It's just you and *Consumer Reports*. In a way, you're a lot alike!

# TOP GUNK

Hey, if the government supplied the planes and the stunt pilots and we taxpayers footed the bill, how come we have to pay admission to see this?

That's show biz! Ain't we still paying to watch actors in real-life roles as politicians?

The MIG's on our tail Maniac! I can't see him!

Great! We've got a 30 million dollar plane with a 3 million laser holograph scope sight and a 4 million load of the latest air-to-air missiles—and we're going to get our butts blasted off because we don't have a lousy 6 dollar rear view mirror!

John Jones? Get that creep outta here! Which brings up point number 6—any pilot caught without a silly or catchy nickname will be automatically dropped from the Top Gunk program!

That girl really intrigues me!

You always say that...

Yeah, but this one's got something the other girls I know don't have!

What's that?

A big headstart on middle age!

There are a few **rules** you have to remember to become successful Navy movie pilots! You must:  
 1) Smile 90% of the time and hold back tears the other 10%; 2) Have a close friend who gets killed; 3) Never appear on screen without being sweaty; 4) Meet an old buddy of your dad's who "really loved him"; 5) Be afraid to make an emotional commitment to a woman!

But Sir, there are no **women** here in **Top Gunk**...

Which brings us to number 6—Accept **without question** that the country's **foremost aerial combat expert** is a young lady who's never been in a plane in her **life!** Inability to accept **these** and all other clichés thrown at you is tantamount to **failing Top Gunk training!** Dismissed!

MIG DONALD'S

**TOP SECRET**

How come she's the instructor instead of a **veteran Navy pilot**? What **experience** does she have?

They say she's **logged over 300 hours!**

**Really?**

Yeah! She saw "An Officer and a Gentleman" **165 times!**

Besides, there's gotta be some kind of **love interest** for Maniac!

**Love interest?** Who's gonna believe that? She looks old enough to play **Maniac's mother!**

You know it! I'm glad I play an "Ice Berg" so I don't have to **make out** with her!

USSR

Why do you try to be such a **hot shot**? What are you trying to **prove**?

That I can be the kind of man my **father** was! He was a fighter pilot, too!

What happened to him?

No one knows! He flew off into the clouds one day and was never heard from again!

Did he die?

Either that or he landed in **Philadelphia!** It's just about the same thing!

Maniac, you should be **yourself** and stop trying to act like **someone else!**

You mean like my **father?**

No, like **Dustin Hoffman!**

So I let the MIG catch up to me—then I put on the brakes! He zoomed past me and I was on his tail!

You took too great a risk, Maniac! Supposing you had crashed?

Hey, man, I'm not afraid to die!

Who cares about you—you can be replaced very easily! It's the plane that we don't want to lose! Remember, at Top Gunk we do everything by the book!

First, kiss my eyelids! Now nibble on my nose! Now my earlobes! Now... hold it a second...

What's the matter?

I lost my place!

You were reading instructions? I know you do everything by the book, but this is ridiculous!

I'm proud of this uniform and I know I'm the best there is!

Not really! There were at least 75 pilots in the last class who were as good as you, and 25 who were a lot better!

I don't believe that! I could fly rings around them up there!

Who said anything about "up there"? I'm talking about down here!

We've got trouble, Goof! The engine's gone!

We'll have to eject and ditch the plane!

I don't care what the squadron leaders think!

What are we going to do, Maniac?

Some people aren't going to like that!

I'm talking about people living in Los Angeles—'cause that's where this ditched plane'll go down!

Your buddy Goof is gone, Maniac! You're lucky you spilled the yellow dye or we might not have spotted you! You would have been a goner, too!

I've got news for you, Mac—that wasn't yellow dye!

Goof is dead? My husband? What did he die of?

Terminal cliché! The minute you showed up with that kid, everyone knew he was a dead duck!

You can't allow yourself to feel guilty about what happened, Maniac! When a buddy goes, you've just got to let him go!

Let who go?

You really learn fast!

You seem so unhappy, so remote, so tuned out! You don't even want to fly anymore!

Ever since the accident, I've lost the will to die!

I've never said this before, but I love you!

I find that hard to believe!

Just look at my face and tell me what you see...

Wrinkles, some crow's feet, sagging jowls, age spots...

All right, already!

Gentlemen, there are a few basic rules you must remember as graduates of Top Gunk! You must: 1) Always be ready for timely coincidences—like now, for instance! We've just learned about a new crisis of world-threatening proportions which means that all of you must leave immediately for combat! Any questions?

Sir, if the situation is really that important, wouldn't it be wiser to send former Top Gunk graduates and other battle-experienced pilots?

Which brings us to number 2—Never louse up a plot by introducing logic, reason, or common sense! Dismissed!

Okay, Russkies—you'd better start saying your prayers!

That's another nice, old cliché, Maniac, but it doesn't really apply here very well, considering how most Russians are atheists and don't say prayers!

Okay, how about "May the force be with you!"

Fine, especially considering that these aerial dogfight scenes are a total rip-off of "Star Wars" anyway!

Wow, Maniac, you knocked down three Russian jets!

And you scored with another old cliché—coming to the aid of your rival, "Ice Berg," proving you're a "team man"!

I guess I've successfully redeemed our family name!

More than that! By knocking out those three Russian jets, your name will go down in history...

...as the man who started World War III!

I just finished the books. We're 2 1/4% over budget.

Damn! Well, see if you can "play with" the figures.

To bring them down?

Are you nuts?! To bring them up! People in this business have no respect for a video unless it's 20% over budget!

Do you think the drummer's facial tic is gonna show up on camera?

Don't worry! If this video's a hit, half the kids in America will be imitating it because they think it's "COOL"!

They're lip-syncing the song to a studio tape?! Why don't they sing it live?

'Cause, without a million dollars worth of recording equipment, these guys sound like four Chihuahuas in heat!

Stand back, he's one of the most important people in the entire music biz!

I just read the script. This video makes absolutely no sense at all!

Wow! Who is he, some bigwig record exec or producer?

No! He's a drug supplier!

Yeah! It's nice when things go right for a change!

# THE SCENES AT A VIDEO

What's your job here?

I'm an Associate Producer.

No kidding, so am I! Which member of the band are you related to?

Who had this studio before us?

Prince.

Ah-hah!! That explains the purple toilet paper in the john!

Didja hear about Twisted Sister's new video? Three Dead and Eight Wounded!!

Is that the title?

No, that's the body count on the set!

The actual number of Michael Jackson's relatives with videos of their own!

What are they betting on?

\$10 says it's "35"!

No! I'm sure it's "49"!

I'll bet \$5 on "27"!

A stabbing, two shootings, a simulated rape and four car crashes... it just doesn't seem right for a love song!

What if we added a few more stabbings and a nuclear explosion?

I get the feeling music videos still don't take women seriously.

Hey! These chickens are still alive!

That's the last time I hire a caterer recommended by Ozzy Osbourne.

Now you're talking!

What makes you say that?

I'm listed in the script as "Breast #3" and "Breast #4"!

When you are in a hurry, you should always look back over your shoulder.

What do you get when you cross mutual funds, T-bills, mortgages and Keough plans with some crude puppets, a few sappy songs and a host who talks like a ten-year old? You get...

# MR. JOLLY ROGERS' NEIGHBORHOOD

## VISITS A LOCAL BANK

ARTIST: ANGELO TORRES

WRITER: LARRY SIEGEL

Isn't this a lovely pretend bank! Look at those wax make believe bank teller dolls!

Chuckle... They're real tellers from my bank! All tellers freeze like that when there are customers waiting!

Why don't I pretend I'm a depositor and let's see the first thing a bank teller does when you walk up to him...

Did you know he was going to do that? I did! I've been to a bank before!

See how fast they can move when they have to, Mr. Jolly-rogers?

Oh my, yes! Now let's look at some of the bank promotions you brought along to show us...

Aren't these wonderful? In the first case we have an American Presidents' exhibit, in the second is an antique coin collection! What's in the third case, Mr. Nabob?

A rare pen display!

Rare pens?

An unbelievable find! Three pens discovered in over 14,000 American banks that actually write! The post office is also planning an exhibit like this, but so far they haven't found any pens that work!

Aren't we having fun today! No, we're not! Do you know why? Because nobody ever has any fun in a bank! That's an important lesson! Okay, let's continue our visit...

My, what a lovely bank! And what a nice mummy! Is this part of an Ancient Egypt bank exhibit, Mr. Nabob?

Chuckle... This man only looks embalmed, but he's alive, too! More so than most of our tellers! He's our bank guard, Bertram Mulcahy! I'd ask him to sing us a song, but he doesn't have a very good voice...

That never stopped anyone else on this show before!

Golly gee, can't you see, I'm obviously happy to be me! Whoop de doo, sad but true, you're obviously not me—You're only you!

The sun is warm, the sky is bright, God sure created things just right! How do I know? I'll tell you square—I remember—I was there!

Actually, how old is he, Mr. Nabob?

No one knows for sure, but he has a security card showing he was the guard at the **FIRST First National Bank!**

Chuckle... Those silly bank robbers only **think** they got away with our money! We've got them **dead** to rights with our bank camera!

See... No matter where they go—to the beach, a Nautilus club, wherever—they're shaking in their boots because **they** know that **we** know what they look like...

But isn't there just **one** small problem...

Okay, so they have to be wearing ski masks at all those places! Gosh arooty—why must everybody be so picky?

Never a dull moment in a bank! My, my, Madame teller, you must be punching out **500 numbers a minute** on that computer! I bet you're doing very important bank work!

Not really, Mr. Jolly-rogers! I just try to **frighten** depositors into thinking I'm checking out their **whole lives!** Most of the numbers I punch are **meaningless!**

Where did Mr. Nabob ever find you?

At a supermarket checkout counter! I'm still famous for charging a customer **seven times** for one box of Cheerios!

Please give me back my **credit card!** I swear it won't happen again! Please! PLEASE!!!

What is this **commotion** about here, Mr. Nabob?

Sad case! The customer just **paid** the \$753 he **owed** on his Visa card bill in full...

That doesn't sound like a **bad thing** to me...

We can't **make money** if people pay **everything** they owe us **right away!** The idea is to get them to pay as **little as possible** so we can **soak** them with heavy interest and finance charges!

He said he's **sorry!** Can't you give him another chance?

It breaks my heart, Mr. Jolly-rogers, but his type is **destroying** the American plastic way of life!

YOUR AMERICAN ESPRESSO CARD  
DON'T LEAVE ROME WITHOUT IT!

There, now wasn't that a **very important lesson** we just learned? When we grow older—we're **never** going to pay our bills when we have to, right? We're going to pay as **little as possible**, to help keep America strong!

Before I leave can I **borrow** some money?

Fine! Just tell me what **collateral** you have! You know, a house, a car, whatever, and we're in business...

LOAN DEPT.  
THE LOAN ARRANGER

I don't really own very much! But you know me, Mr. Nabob—I've been banking here for years!

What? You expect me to lend money to a nobody with nothing to his name?

But I'm a famous, important TV personality!

You call public television TV? Our cleaning people make more money than you! I'm sorry, we only lend money to people who can afford it!

But if I could afford what I want I wouldn't have to borrow money! Who do you lend money to these days?

Diana Ross, Bill Cosby, Michael Jackson and the King of Saudi Arabia! They have collateral!

Well, thanks for inviting me to your swell bank, Mr. Nabob! Before I go, I think I'll withdraw some cash from my savings account! I'm sure I can qualify for that, can't I?

Not really—it's after normal bank hours! You'll have to use our automatic teller which is open 24 hours a day!

Hmmm, I think I'll come back tonight when I'm passing this way again...

Nowadays, it's the only way to bank—no crowds, no hassle, no fuss!

Mr. Nabob was right! This is the only way to bank! No crowds, no hassle, no fuss... Excuse me, sir, where did you come from?

From behind that mailbox, where I always wait late at night for pigeons like you! I love automatic tellers too!

Am I ahead of you or are you ahead of me?

Tell you what... Let's do it together! You withdraw from the bank and I'll withdraw from you!

Hasn't this been a wonderful day? And a wonderful night-time too? Tomorrow I'll come out of my closet again... What could be better than changing my sweater—Specially for you!

Happy tomorrow, neighbor! Thank you for making this a very special day for me! Goodbye, bank! Goodbye, automatic teller! Goodbye, friendly mugger...

## OFFICERS IN DIS-DRESS DEPT.

It wasn't long ago when all the detectives on television were men. Women were portrayed as being frivolous and silly. But now we have a crime drama show where two of the detectives are women! They're every bit as effective as their male counterparts, and they smell a heck of a lot better! But they're still silly and frivolous! Of course, we're talking about...

# Grabme & Spacey

ARTIST: ANGELO TORRES

WRITER: DICK DE BARTOLO

I'm **Pristine Grabme!** I'm 40-ish, but I look **younger!** I'm also **single** and I drink a little **too much**. But hopefully one day I'll be **married** and I'll have someone to **share my life...** and the **cost of my booze!** In the meantime, I'll go on working as a **plainclothes detective**. And believe me, on the **salary** they pay New York cops, **plain clothes** are all I can afford!

I'm **Detective Peachy** and I'm just a **token** around here! Not a **token black**, a **token detective!** Grabme and Spacey get all the **good cases** in this precinct, so the **rest of us guys** are all **tokens!**

I'm **Merrybet Spacey**, Grabme's **partner!** I'm 40-ish, but look **older!** I'm a very **private person**, so **don't** ask me about my husband **Hardly**, who's usually **out of work** or not **happy** with the job he **has**, or my **two boys** who wish I wasn't a **cop**, or our new **baby daughter** who drives us all **nuts** with her **crying!** Oh, did I mention our new **house?** Anyway, the guys down here at the police precinct are always **teasing** me. They say they don't know which is **thicker**: my New York **accent** or my **midriff bulge!**

I'm the **desk sergeant**. I just mostly **smile**. But everyone in this precinct is so **heavy-handed** and **depressing**, a **simple smile** is like **major comic relief!**

I'm **Lt. Darnrules**. I'm **in charge** here! And although I'm a bit **gruff**, I'm not a **male chauvinist** at all! In fact, I kinda like having Grabme and Spacey on my staff. Having **two broads** around here **brightens up** the place a bit!

I'm **Issexy**, God's **gift to women!** Now if I could only get some women to **accept** the **"gift!"**

We're **Starsky and Hutch!** We want to report a **robbery!** Someone **stole** our show and gave it to two **women detectives!**

Torres

OK, listen up!  
We've got a  
rape, arson,  
a drug bust  
and a hit-and-  
run accident.

Perfect!  
I was  
hoping  
for a  
quiet  
day!

The Chick Giltz  
Dell was held  
up for the third  
time this week!  
Grabme, you and  
Spacey get on  
it right away!

Naw, that's too  
cut and dry! No  
pathos or chance  
for long-winded  
speeches on "the  
world as seen by  
two modern women."

A Mr. Manana  
called. He's  
being har-  
assed by  
his landlord  
so he'll  
move out.

Bingo! That  
case sounds  
like "maud-  
lin city"!  
Let's get  
over there  
right away!

You know, Spacey, sometimes I think  
I'm never going to meet Mr. Right!  
Guys are afraid to date a woman cop!

That's not true! What about the  
guy that followed you every-  
where all last week?

He stopped following me once  
I took off the handcuffs!

How about that other guy you  
were dating? The one you lied  
to and told you worked in a  
doughnut shop?

He split, too! On our last date, I  
opened my purse and my gun  
fell out. I told him I used it to  
shoot holes in the center of  
the doughnuts but he didn't  
believe me for a second!

You know,  
Merrybet, you  
passed the  
address  
we're  
going to  
three times  
already!

I know, but I have a wonderful  
husband and three great kids!  
Your personal life is nothing  
but despair and depression!  
So I thought the least I could  
do is keep driving around...  
until you finished complaining!

You  
have  
a  
lot  
of  
class,  
Merrybet!

Look at this place! Roaches  
are everywhere! There hasn't  
been heat or hot water for  
six months! Hookers and drug  
pushers live on both sides  
of me! I need help fast!

Let me ask you one  
question first: Are  
there any vacancies?  
This place sounds a  
lot better than the  
dump I live in now!

You don't want to live here, believe me! The landlord is trying to force us all to move so he can sell the building to a **condo developer**. They **harass** us day and night! Today there was a **dead body** in the garbage chute!

Well, at least they're neat! They could have left the stiff in the hallway!

You should organize! Elect a **tenant representative**!

We did! That's the guy they found in the garbage chute!

This floor is a mess!

That's not the floor, that's the ceiling!

What's the ceiling doing on the floor?

The same thing that the wall is doing in the tub, **FALLING!**

At least you have a cat to keep you company!

What cat? That's a rat! One of the smaller ones! I think they truck them in from other slums!

How about getting even with the sleazebag that's doing this to you?

I'd like to, but I'm afraid he'll do something drastic—like fire his **96-year-old mother**! Then we'll have no janitor at all!

You must testify against your landlord! You must, must **MUST, MUST!!!**

OK! OK! I'll testify! I can't take any more harassment!

That's why we're going after your landlord!

What landlord? The harassment I mean is **you** and your partner! Get out!

Hey, **Slimebucket**! Here's a **subpoena** for you to appear in court! Mr. Manana is going to testify against you. The charge is **harassing tenants**!

Whadda ya mean? I'm one of the most **generous** landlords around! Who else arranges for the **garbagemen** to come every day of the week?

Yeah, but **yours** come everyday to deposit garbage!

Big deal! So hang me for mere details!

I suggest you get yourself a **good lawyer**!

Perhaps a **young, handsome lawyer** who's single and might be attracted to a **lady detective** who's charging his client with harassment. See, my partner, **Pristine**, is a **lonely lady** and...

**MERRYBET!** You know, sometimes I wonder if you're worth the **embarrassment**!

How's Grabme, Mom? We haven't seen her in a long time.

Grabme's okay, but she still wishes she had a husband like I do. She longs for a family and home-cooked meals! Now, will you kids please shut up, eat your Chicken McNuggets and just stay out of my hair!

So tell me, Hardly, how was your first day on the new job?

It was okay! But it was only a half day. I changed jobs during my lunch hour!

Hardly, you change jobs more often than New York City politicians accept bribes!

I changed my mind! I don't want to testify!

You can't let that creep get away with illegal harassment! Unless you change your mind and testify, I'll show you harassment! I'll have your car ticketed every day, I'll watch your...

Pristine, let me deal with him. Sometimes being a mother helps a person relate better! Mr. Manana, do you want me to send you to bed with no dinner? How would you like no TV for a whole month?

I'm scared! Yesterday, my car blew up! Last night, my apartment caught fire! This morning, somebody took a shot at me!

You can't take that stuff personally! This IS New York!

Work with us and we'll give you a new identity! See that photo? That's Jimmy Hoffa! He worked with us and just look what we did for him!

Boy, I hope Mr. Manana doesn't change his mind again!

If you're waiting for a Spanish guy, about 40, short with a moustache, I think he was abducted about ten minutes ago.

What makes you think that?

Because as three men dragged him out the door he was screaming, "Somebody help me! I'm being abducted!!!!"

We've got to find Manana right away or Sneezebag could win this case!

Hey, what are you two doing in here?

We always go into the bathroom to confer!

But this is the men's room!

I know! What better place for my single partner here to meet eligible bachelors!

Merry-bet... PLEASE!
